

HAMMERHEAD™

12" STAINLESS STEEL SELF RECOVERY - FSC

The Jetwave® 12" Stainless Steel Self Recovery FSC recovers the dirty water and expels it with the venturi principal eliminating the need for a vacuum recovery system. Simply place your recovery hose to a desired drain point and clean with the FSC.

STANDOUT FEATURES

- Stainless Steel construction.
- Heavy duty stainless steel castor wheels.
- Integrated recovery (black anodized aluminium suction device) using the venturi principal
- 12" Cleaning pass.
- High RPM stainless steel swivel with self lubricated stainless steel bearings.
- Manufactured in Switzerland.
